Department of Physical Therapy 2017 Exceptional Achievement Awards

Martine Quesnel – Education

Martine Quesnel completed her BScPT from the University of Ottawa and obtained her MScPT from the University of Toronto. She is a lecturer and the Academic Coordinator of Clinical Education and Mentorship for the Ontario Internationally Educated Physical Therapy Bridging Program. She practices clinically as a casual physiotherapist at the Toronto Rehabilitation Institute. She has been combining clinical work and teaching at the university for nearly 20 years. She is passionate about mentorship in physiotherapy and education recognizing they are both powerful tools to advance the profession.

Anna Marie Sneath – Professional Development

As a PT clinician, educator and leader with over 30 years of experience in the public sector, Anna Marie has supported, advocated for and mentored many peers, colleagues and students in areas of process improvement, change management, advocacy, team functioning, project completion, and career development. She has worked clinically at several hospitals and clinics. Participation at U of T has included supporting internships, labs, small groups, OSCEs, research participation, Strategic Planning, OIEPB program, APL Committee, and Admissions Committee. Currently at Providence Healthcare she has functioned as PPL of PT, CCCE, Manager of Ambulatory Services, Acting Director of Interprofessional Practice, Chair of Leadership Forum, Accreditation Team Lead, member of Rehab Care Alliance Outpatient/Ambulatory Advisory Group. She has a LEAN Green Belt and is completing credentialing as a Registered Corporate Coach.

Kara Patterson – Research

Dr. Kara Patterson is a licensed physical therapist, an Assistant Professor in the Department of Physical Therapy at the University of Toronto and a Scientist with Toronto Rehab. She received her PhD in Rehabilitation Science from UofT and completed postdoctoral training at McGill. Dr. Patterson's research interests include 1) neural control of gait and how it is affected by neurological injury, 2) motor re-learning after neurological injury and 3) measurement and neurorehabilitation of gait and balance. Her work is funded by CIHR, NSERC and the Heart and Stroke Foundation.

Recognition Award Recipients

Recognition Award Recipients are individuals or teams who have provided an extraordinary educational experience and positively impacted physical therapy students while in the academic or clinical environment. The recipients were nominated by students, clinicians and/or faculty.
